Funds raised from previous **Salem CultureFest** celebrations enabled us to provide 1600 students at the AEDEC School in Dakar, Senegal with a state-of-the-art computer lab and network (the first of its kind in a public school in Senegal), sewing machines to a job training facility (Les 3D) in Porokhane, Senegal to assist young women in becoming self-sufficient, as well as provided much needed support to local Greater Salem area organizations including HAWC (Help for Abused Women and their Children), the Salem School Foundation, and the Gathering of Salem. Funds raised at **Salem CultureFest 2010** will be utilized to further our efforts to establish a **Multicultural Center in Salem, MA**, as well as to continue our support of these organizations in West Africa. In addition, we will be donating a portion of all funds raised at **Salem CultureFest 2010** to another local non-profit to be announced at a later date.

We hope that you will join us for this amazing event that will showcase the art and culture of the Boston and North Shore area as well as raise funds for our charity. Please don't hesitate to contact us with any questions that you may have.

Thank you,
